To the hallowed body of **The Cultural Center of The New Covenant Congregation of Israel**: the following dates will be observed as Holy Days in the Gregorian calendar year 2026. YHWH Elohim has decreed that we keep these days in their season upon their days. Therefore, govern yourself accordingly by ensuring that you make arrangements with your employers to have the day off for the dates marked as Sabbaths, which is commanded by **The Laws of YHWH (Leviticus 23)**. Remember the Holy Days that are marked as Sabbaths **BEGINS** at evening (sundown), and **ENDS** the next day at evening (sundown), which requires you to take off the (morning and afternoon shifts) from work. (Holy Days; Leviticus 23), (Sabbath; Leviticus 23:3), and (New Moons; Numbers 28:11-15).
